SOURCES

A line built for everyday polish

Structured from the Feishu requirement and the six-page customer PDF. The assortment keeps the customer's expressive visual language while staying within woven supply-chain constraints.

What the customer asked for

BRAND

Crown & Ivy for BELK

MARKET

United States, online and department stores

CONSUMER

Women 35-50, stable income, polished casual

SEASON

Fall Transition 2026, August into September

CATEGORIES

Woven tops, dresses, pants and sets

MATERIALS

Textured wovens, dobby, slub, eyelet and drape

SIGNATURE

Feminine, refined, comfortable, tasteful, ruffle-aware

CRAFT BOUNDARY

Limited embroidery; practical construction

Fall 2026 color architecture

Use bright accents against grounded grounds. Let the print carry the energy; let the woven base keep the product wearable.

Four numbers that shape the edit

These are public search and retail observations, retained in their original measurement context. They are directional evidence, not sales forecasts.

60.5k

Matching set

US Google Ads keyword-volume field. Supports a smaller woven coordinate story.

SRCH-DFS-001

49.5k

Floral dress

High-volume category language that supports the main Full Bloom dress story.

SRCH-DFS-001

40.5k

Shirt dress

Strong category language aligned with familiar Crown & Ivy daywear bodies.

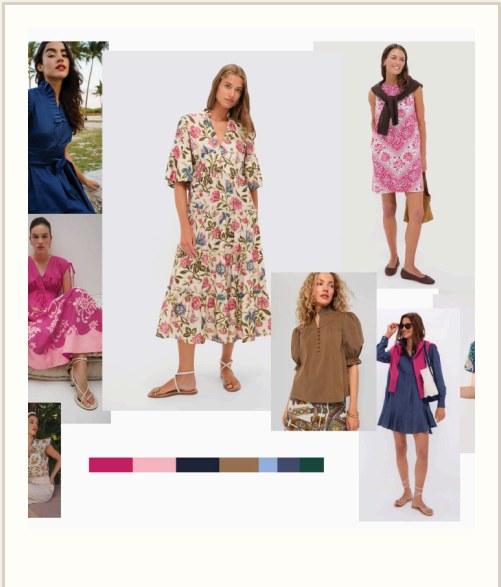

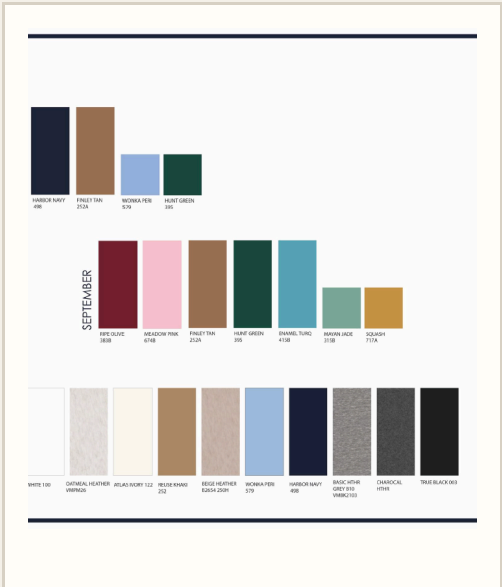

SRCH-DFS-001

\$69-\$109

Observed blouse range

Dillard's woven floral/ruffle reference range. Applying 40% gives planning math only.

03 / DIRECTION ARCHITECTURE

Five stories, balanced by role

The 50-style mix creates visual breadth across
silhouette, sleeve, print scale, layout and category
without turning every style into a one-off.

01

**Refined Ruffle
Utility**

02

**Full Bloom Day
Dresses**

03

Crafted Texture

Dobby, eyelet, slub and
localized embroidery

Relaxed blouses with split necks, cascading ruffles, flutter and bishop sleeves.

18 WOVEN TOPS

Large florals, frame prints, shirt dresses, fit-and-flare and controlled tiers.

20 DRESSES

concentrated at garment structure.

CRAFT CAPSULE

04

Placed Story Prints

Center fronts, neckline frames, sleeve borders, hem borders and side bouquets.

CROSS-CATEGORY

05

Polished Coordinates

Woven sets and pants with vertical borders, pocket placements and mixability.

6 PANTS / 6 SETS

04 / FINAL ASSORTMENT

50 visual concepts

05 / TRACEABILITY

Sources, uses and gaps

Customer imagery, market references and AI-generated concepts are explicitly separated.

Customer brief

Feishu requirement document and the six-page local Crown & Ivy sample PDF were parsed for requirement, palette, layout and sample-style evidence.

[Open Feishu requirement document](#)

CI-FS-001 / CI-PDF-001-004

Retail context

Public Crown & Ivy/BELK, Dillard's, Ann Taylor and Talbots pages were used for assortment language, silhouette recurrence and visible price observations.

RT-BELK / RT-DIL / RT-ANN / RT-TAL

Search and social

US keyword-volume fields plus filtered TikTok, Pinterest, Instagram and supplemental ecommerce samples informed directionality. Cross-platform metrics were not merged.

SRCH-DFS / SM-TT / SM-PIN / EC

Data gaps remain: current BELK product-level pricing, Tuckernuck product evidence and a callable fashion trend-vector source were not available in the bounded run. No missing field was filled with zero, estimation or simulation.
